We are thrilled to announce the Multilingualism Research Hub led by Agnieszka Czerwinska-Kasztelanic received a collaborative grant 'Fostering Linguistic Capital: A Roadmap for Reversing the Diversity Crisis and Activating Societal Benefits in Europe' #FOSTERLANG HORIZON-CL2-2024-HERITAGE-01-05!
This collaborative effort, led by Justyna Oliko, includes 13 partners across Europe. The project's team will develop strategic initiatives to protect and enhance minoritized and migrant... Wyświetl więcej

11 colleagues from universities in Lviv, Kyiv and Kharkiv attended the Corpus Linguistics Workshop, organized by the International Relations Office and the Institute of English Studies, as part of the Solidarity with Ukraine, 4EU+ for Ukraine II program. The workshop was carried out by Dr Marcin Opałko and Dr Maciej Rosinski.

Agnieszka Kaldonek-Crnjaković and Magdalena Walenta visited our partner institution, Gunma University in Japan.

During their visit, they delivered a lecture on inclusive education in the European Union and toured a local Japanese school, where they attended several classes, spoke with teachers, and interacted with students.

- On July 1-3, we hosted the Flaherty Film Seminar 2024: TO COMMUNE.
- It was organized by Magdalena Kielbiewska with expert support from Marek Paryż.
- One of the panels was moderated by Zuzanna Ladyga.
- The seminar has a long and rich history, held annually for 69 years.
- Filmmakers, critics, academics, and film enthusiasts meet at a specific location and, over several days, watch films and participate in discussions around them. The rule of NO PRECONCEPTION - no preconceptions, no preconceptions - applies, which means no more and no less, that the participants do not know what they will watch. The entire program, as well as the invited guests, are a mystery that is revealed day by day.

- In a new series of videos, Centrum Kompetencji Cyfrowych UW asks researchers how Open Science and Open Access are changing modern science.
- The first scholar they interviewed was Anna Cetera-Włodarczyk, the head of the Polish Shakespeare project (<https://polskiszekspir.uw.edu.pl>) <https://youtu.be/bAtQuhBTEN8?si=3wFJzZTLQpct-Ov> #IDUB #OpenScience #ReIN #ResearchData #UW #PolishScience.

We are thrilled to announce the release of an amazing new book by Irena Księżopolska: "Ian McEwan: Subversive Readings, Informed Misreadings."

Irena Księżopolska offers radical new interpretations that challenge the conventional readings, inviting readers to engage with the texts in innovative and creative ways.

Far from providing definitive solutions, these subversive and informed misreadings open up possibilities for deeper engagement and enrich the critical discour... Wyświetl więcej
